## In-Weave Rug Care Instructions

Machine wash-gentle cycle, cool/warm water; Dry on low setting for 15 minutes, then line dry (hang from selvage-not fringe end). We recommend using "Color Catcher" by Shout to prevent any discoloration of the fringe when laundering. Use 1 sheet in wash water for 2 x 3 size, 2 sheets for 2 x 6 rug runner/28" x 48" rug, 3 sheets for 3 x 5, 4 sheets for 4 x 6, etc. Area rugs-use 70 pound commercial laundromat machine or wash outdoors using hose/line dry. Note: expect to lose some fibers & always clean lint filter.

**Rug Prices:** Prices of popular sizes are given below. Sizes do not include fringe (adds about 4"-6" to the length of the rug). Visit [www.inweaverugs.com](http://www.inweaverugs.com) or call 1-800-646-9328 for prices of other sizes.

## Trimming Rugs

Made from new upholstery selveges, trimmings rugs have a textured, "shaggy" appearance. Small rugs may be machine washed/tumble dry. They will shed but the shedding will not affect the integrity of the rugs. Large rugs may be vacuumed and professionally cleaned. We also make polycotton, knit or corduroy rugs. These are the "rag" rugs.
